Oh CAPTAIN my Captain

Howdy fellow Porschephiles

Welcome to our second e-newsletter! We are glad to hear that The MONTHLY peek was well received!

We had 3 events in April, namely the breakfast drive, the track day at Sepang and Members' Night! All events were fully subscribed, and we embraced all with the spirit of the PCS family!

As a motoring club, we gotta have driving events and track day. Thus, we aim to have one driving event per month, and more track days, hopefully four per year. We hope to have continued support from all of you members. Your participation encourages us to schedule more and more events.

Other than driving events, the Members' Night was important to welcome new members and enable all to mingle and socialize with each other. It was heartening to have our sponsors participating in the event too!

A revised calendar of events has been sent to all of you, and a copy is posted on our website. Some dates have been changed due to unavoidable circumstances, but we hope it still is workable for majority of the members.

We look forward to seeing all of you as much as possible to strengthen our friendships under the Porsche umbrella!

Cheers!

Leon Liu

New 911 GT3 RS sets a lap time of 6:56.4 minutes through the 'Green Hell'

Stuttgart. On April 16 the Porsche 911 GT3 RS set another benchmark for road-approved sports cars at the Nürburgring-Nordschleife circuit in Germany: Porsche works race driver Kévin Estre set a lap time in 6:56.4 minutes with the 520-hp GT3 RS. The Frenchman's lap time was 24 seconds faster than the best time achieved with the previous GT3 RS model. Porsche development driver Lars Kern was sharing driving duties with Estre. Following the 918 Spyder and the 911 GT2 RS, the new GT3 RS is the third production Porsche sports car with a notarised lap time of less than seven minutes on the world's most demanding race track, known as the 'Green Hell'. As is customary for record drives, the time was measured around the 20.6-kilometre lap. Read more at :

Garden Party

The Club's 2nd Breakfast Drive of 2018 sent us on a nice mixed highway and B road drive to Kluang, where under the early morning sunshine we enjoyed a breakfast feast at Bevy World. It's a little quaint colonial bungalow located on a slope with huge garden and big trees.

Members have the option to have their breakfasts either in the cosy air-conditioned dining rooms or alfresco to enjoy the morning breeze and chirping of the birds. A mixture of nasi lemak, dried mee siam, a live egg station and other local delights, as well as the owners arranging for local suppliers to arrange pop up stalls with fresh fruits for us to bring back to Singapore too.

A total of 100 members and their guests joined the drive with 60 cars across 12 convoys for a 6.30am start as we ventured for our breakfast drive, up the E22 highway and across some lovely windy B roads, shared by both long standing members as well as many of our newest members' first drives with us. It was raining all night long the night before, and it was a miracle that we had a sunshine morning for this drive and for all to mingle in open air amidst nature!

Onto planning our next breakfast adventure in May, we have a little something different, and a little something special.....

How to buy a Porsche with 15.00 Dollars

A fifteen-year-old came home with a **Porsche**, and his parents began to yell and scream, "Where did you get that car?"

He calmly told them, "I bought it today."
"With what money!?" demanded his parents.
"We know what a **Porsche** costs."

"Well," said the boy, "this one cost me fifteen dollars."

The parents began to yell even louder. "Who would sell a car like that for fifteen dollars!?" they asked.

"It was the lady up the street," said the boy. "Don't know her name -- they just moved in. She saw me ride past on my bike and asked me if I wanted to buy a **Porsche** for fifteen dollars."

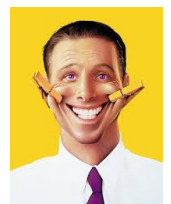

"Oh No!" moaned the mother, "she must be a child abuser. John, you go right up there and see what's going on."

So the boy's father walked up to the house and found her in the yard calmly planting flowers. He introduced himself as the father of the boy to whom she had sold a Porsche to and demanded to know why she did it.

"Well," she said, "this morning I got a phone call from my husband. I thought he was on a business trip, but I learned from a friend he has run off to Hawaii with his secretary. Then apparently she stole all his money and stranded him there!"

Well he called me, saying he had no money, and asked me to sell his new Porsche and send him the money. So that's exactly what I did.

the JOKE is
On you

track DAY

Another First for PCS

Augmented by 20 participants from Porsche Club Malaysia - Once again PCS track day had a Record breaking participation. Over 60 Porsche's had signed up for our first PCS Trackday of 2018.

The 991 GT3RS and the GT3 and the Turbo, and Macan, and also the Cayennes, and Panameras descended upon the track to test the extremities of performance. And of course not to forget the Vintage Aircooled Porsches. The Sepang Trackday is meant for everyone, who loves the smell of burning rubber

For the Newbies who need to be sure of how to make the most of the opportunity or the experienced members who want to improve their lap times and racing line - PCS have added the Driver clinic, with Professional Motorsports instructor/s .

Safety First is our motto. All drivers are given a Safety brief highlighting the Do's and Don'ts on track driving. Then finally the orientation laps for newbies before all hell breaks loose and the fun begins for all participants.

All participants were provided with a sumptuous Breakfast and Lunch

There are just 2 more track days coming up this year (11 Jun and 14 Dec), Do sign up early to avoid disappointment!

All had a wonderful track day experience with no incident and good fellowship for track participants /guests

EVENT 3

april 21
Members Night

In keeping with the proud tradition of providing new members to the club with a warm welcome, PCS organized the 1st Members' night of 2018 at the Orient Palace Restaurant at Havelock Road on 21 April 2018. The dinner was attended by 140 members and their guests. The restaurant made extra room at the carpark for the members to park their cars out in front which attracted plenty of envious looks from passers-by.

The newly renovated restaurant's signature dish was roast suckling pigs that were expertly marinated and roasted over open fire to achieve a golden crispy skin. Once the dinner commenced, the MC duties were gamely taken on by Jiunn Siong, the Vice President. Mr Leon Liu the PCS President gave the opening speech and warmly welcomed all the members, guests and especially the newly joined members. Attending the dinner were also representatives from Porsche Asia Pacific, Stuttgart Auto, Pirelli, Brenntag and Porsche Financial Svcs. All the members and guests were treated to a sumptuous buffet dinner which included the famous roasted suckling pig, Bak Kut Teh, dim sum dishes and fresh broccoli with sea scallops to name just a few. There were also several rounds of lucky draws where many of the members got to walk away with prizes with courtesy from the PCS sponsors.

It was a wonderful event that enabled the new members to not just feel welcomed, at the same time it was an excellent opportunity to mingle, interact and network among all the members and the sponsors.

We cannot forget to give credit to the Social Director Lim Yuji, who spearheaded the brilliant planning and preparations for the event, but unfortunately was unable to be present at the event. Gavin Sung the Motoring Director quickly stepped into the shoes of Lim Yuji at the event to ensure all was in order.

In addition to the regular sponsors, Remy Martin, Orient Palace and SpaNes were our event sponsors
